AUDITORS

Craig Gardner & Co., Chartered Accountants, Gardner House, Wilton Place, Dublin 2.

Report of the Directors

For the year ended 31st December, 1991

The Directors submit their report together with the audited financial statements for the year ended 31st December, 1991.

1. PRINCIPAL ACTIVITIES AND REVIEW OF OPERATIONS

During the year the company continued to provide a national network of Expressway coach services, local bus services, provincial city services and to operate School Transport Services on behalf of the Department of Education throughout the country.

Considerable progress was achieved during the year in further improving services to our customers. There is within the company a co-ordinated focus on customer care and among the achievements in 1991 were the opening of a new Travel Centre in the vibrant tourist town of Killarney and the refurbishment of the main coach terminal at Busaras, Dublin. A £3.5M investment in 1991 brings the total investment in new coaches to £11.9M over the last four years. This is a measure of the company's sustained commitment to service enhancement and expansion of its business. The competitive fares strategy and the widening of our range of services are also integral elements in the determination to give value and choice to the customer. The market response, in a difficult operating climate, has been most encouraging with revenue from services increasing by 11% during the year. Growth of Expressway services was especially

significant with passenger journeys increasing by 21% on 1990 levels.

Success in expanding the commercial Expressway business with resultant increased profits has enabled greater cross-subsidisation of the social services in city and rural areas which require subsidy. Reduction in the State Grant (£4.6M) can only be achieved through increased cross-subsidisation from commercial services and minimisation of all costs. This requires an ongoing policy of closely monitoring all costs to ensure competitiveness with the elimination of any costs not essential to the operation of the business.

Following the previously reported funding difficulties, it is satisfying to report that the Department of Education accepts that there remains an outstanding deficit on the school transport scheme of £4.5M as at 31st December, 1991. In addition, the Department has advised the company that further monies will be made available to meet the cost of school transport services during 1992. In absolute terms the net cost of the scheme has increased by only 1.3% since 1987 while at the same time consistent reductions have been achieved in real terms. Consultants who examined the management and supervision of the scheme concluded that the school transport services are provided at or near minimum cost.

Report of the Directors

2. RESULT AND RESERVES

The financial statements for the year-ended 31st December, 1991 are set out in detail on pages 6 to 21. A summary of the results is as follows:-

1991 IR£000

3. WORKER PARTICIPATION AT SUB-BOARD LEVEL

The company is among the State enterprises covered by the sub-board participation provisions of the Worker Participation (State Enterprises) Act, 1988. Proposals designed to give effect to the provisions of the Act emanating from a joint management-trade union working party are under consideration.

4. HEALTH AND SAFETY

It is the policy of the company to ensure the health and welfare of employees by maintaining safe places and systems of work. This policy is based on the requirements of employment legislation including the Safety, Health and Welfare at Work Act 1989.

5. EQUAL OPPORTUNITIES IN STATE SPONSORED BODIES

The company is an equal opportunities employer. The C.I.E. Group's policy and procedures in relation to recruitment,

training and promotion have been adopted and are pursued by the company.

6. DIRECTORS

The Directors of the company are appointed by the Chairman of Córas lompair Éireann with the consent of the Minister for Tourism,
Transport and Communications. The names of persons who were Directors at any time during the year ended 31st December, 1991, are set out below. Except where indicated, they served as Directors for the entire year.

7. AUDITORS

Craig Gardner & Co., Chartered Accountants, have expressed their willingness to continue in office in accordance with Section 160(2) of the Companies Act, 1963.

G. T. P. Conlon, Chairman. N. Kennedy,

Managing Director.

Report of the Auditors

To the members of Bus Éireann - Irish Bus.

We have audited the financial statements on pages 6 to 21 in accordance with Auditing Standards.

In our opinion, the financial statements give a true and fair view of the state of the company's affairs at 31st December, 1991, and of the surplus and cash flow for the year ended on that date and have been properly prepared in accordance with the provisions of the Companies Acts, 1963 to 1990.

The net assets of the company, as stated in the balance sheet on page 9, are more than half of the amount of its called-up share capital and, in our opinion, on that basis there did not exist at 31st December, 1991, a financial situation which, under Section 40(1) of the Companies (Amendment) Act 1983, would require the convening of an extraordinary general meeting of the company.

In our opinion, the information given in the Report of the Directors on pages 3 and 4 is consistent with the financial statements.

We have obtained all the information and explanations we considered necessary for the purposes of our audit. In our opinion, proper books of account have been kept by the company. The financial statements are in agreement with the books of account.

Craig Gardner & Co., Chartered Accountants, Gardner House, Wilton Place, Dublin 2.

Principal Accounting Policies

A. BASIS OF ACCOUNTING:

The financial statements are prepared under the historical cost convention and are expressed in Irish pounds, denoted by the symbol IR£.

B. TANGIBLE ASSETS AND DEPRECIATION:

Tangible assets are stated at net book amount, which represents the historical cost of these assets less accumulated depreciation based on that historical cost.

The bases of calculation of depreciation are as follows:-

(i) Road Passenger Vehicles

Road passenger vehicles, with the exception of school buses funded by the Department of Education, are depreciated over their expected useful lives on the basis of their historical cost. In addition, the excess of depreciation based on the replacement cost of vehicles (at the beginning of the year) over the historical cost depreciation is shown separately as a transfer to reserve from the profit and loss account.

School buses which were funded by the Department of Education are also depreciated on the basis of the historical cost of under-age vehicles in the fleet spread over their expected useful life.

(ii) Plant and Machinery

Plant and Machinery is depreciated on the basis of historical cost spread over their expected useful life.

C. LEASED ASSETS:

(i) Finance Leases

Assets held under finance leases are accounted for in accordance with SSAP21 (Accounting for Leases and Hire Purchase Contracts). The capital cost of such assets is included in tangible fixed assets and depreciated over the shorter of the lease term or the estimated useful life of the asset. The capital element of the outstanding lease obligations is included with creditors. Financial charges are charged to profit and loss account over the primary period of the lease.

(ii) Operating Leases

Rental payments under operating leases are charged to the profit and loss account as they accrue.

D. STOCKS OF STORES:

Stocks of Stores are valued at average cost less provision for all defective and obsolete stocks.

Provision is made for the write-off of all stocks which have not moved for over four years, with the exception of stocks associated with recently acquired assets.

Principal Accounting Policies

E. FOREIGN CURRENCY:

Transactions denominated in foreign currency are translated into Irish pounds at the rate ruling at the date of the transaction, or at contract rates where the amounts payable or receivable are covered by forward contracts.

Realised exchange gains or losses on transactions settled during the year are treated as part of the surplus or deficit for the year from ordinary activities.

Monetary assets and liabilities denominated in foreign currencies are translated at the exchange rates ruling at the balance sheet date.

F. DEPARTMENT OF EDUCATION - FUNDING OF SCHOOL BUSES:

Prior to 1986 the acquisition of school buses was funded by the Department of Education. These buses, insofar as they are still in use, remain in the fixed assets of Bus Éireann - Irish Bus and are depreciated as described in the "Tangible Assets and Depreciation" Policy with a corresponding amortisation of the monies received from the Department of Education.

G. NON-REPAYABLE STATE GRANT:

The Non-Repayable State Grant under EC Regulation No.1107/70 (Article 3.2) is included in the profit and loss account.

H. PENSIONS:

Pension schemes are funded by the Board, its subsidiaries and employees over the members' period of service by way of contributions to separately administered pension funds. The Group's annual contributions are set by independent actuaries. The company's contributions are charged to the profit and loss account in the period to which they relate. Ex gratia pensions are met out of the company's own resources and are taken into account in the year in which they arise.

Provision is made for the estimated ultimate cost of all third party and employer's liability claims which are not covered by the Board's external insurance policies. In arriving at the amount of the total provision required for the third party liability claims, the company has had regard to the results of an independent actuarial review.

Córas lompair Éireann has, on behalf of the company, the following external insurance to cover:-

- (i) third party liability in excess of IR£1,000,000 and up to IR£61,000,000 on any one occurrence or series of occurrences arising out of any one road transport event, except in the case of actions taken for road claims subject to United States jurisdiction, where the excess is \$3,000,000.
- (ii) third party liability in excess of IR£50,000 and up to IR£60,050,000 on any one occurrence or series of occurrences arising out of All Other Risks events, except in the case of actions for All Other Risks claims subject to United States jurisdiction where the excess is \$100,000.
- (iii) in addition Bus Éireann Irish Bus is covered for road transport third party liabilities in excess of a selfinsured retention of IR£3,000,000 in aggregate in a twelve month period.
- (iv) fire and special perils, including storm damage, to the Board's property, in excess of IR£200,000 on any

Any losses not covered by external insurance are charged to the profit and loss account and unsettled amounts are included in provision for liabilities and charges.

18. PENSIONS

The Board of Córas lompair Éireann operates defined benefit pension schemes for the established employees of itself and its subsidiary companies, including Bus Éireann - Irish Bus, Contributions by the Board, the companies and their employees are invested in separately administered pension funds. In the case of the Regular Wages Pension Schemes and the C.I.E. Superannuation Scheme, 1951, annual contributions are based on the advice of an independent professionally qualified actuary obtained from time to time as appropriate. The annual contributions to the Salaried Officers' and Clerks' (G.S.R.) Superannuation Scheme and the C.I.E. Salaried Officers' and Clerks' (G.N.R., C.D.R., and I.R.C.H.) Superannuation Scheme, 1977 (both Schemes are closed) are based on unchanged rates of contribution. The contributions are charged to the profit and loss account on an accrual basis.

The pension cost for the year was IR£2,303,000 (1990 - IR£2,424,000).

Actuarial valuations of the pension schemes have been prepared up to the following dates:-

- C.I.E. Superannuation Scheme, 1951	31st December, 1990
- C.I.E. Superannuation Scheme for Regular Wages Staff	31st December, 1990
- G.N.R. Superannuation Scheme for Regular Wages Staff	31st December, 1990
- C.I.E. Spouses' and Children's Superannuation Scheme	31st December, 1989
- C.I.E. Salaried Officers' and Clerks' (G.N.R., C.D.R., and I.R.C.H.)	31st December, 1989
Superannuation Scheme, 1977	
- C.I.E. Salaried Officers' and Clerks' (G.S.R.) Superannuation Scheme	31st December, 1990

The actuarial valuation of the pensions schemes show on a combined basis that the assets of the schemes represent 125% of the liabilities which had accrued up to the above dates on an ongoing basis.

The actuarial reports in respect of Clerical, Executive and Supervisory Staff Schemes are available for inspection by the committees established for each of these schemes. The committees include members representatives.

The Board of Córas lompair Éireann is legally obliged to ensure that cash is available to the C.I.E. Salaried Officers' and Clerks' (G.N.R., C.D.R., and I.R.C.H.) Superannuation Scheme, 1977 and the C.I.E. Salaried Officers' and Clerks' (G.S.R.) Superannuation Scheme if their funds are insufficient to meet the pension obligations due and payable under these schemes. The shortfall in the cash resources of the C.I.E. Salaried Officers' and Clerks' (G.S.R.) Superannuation Scheme in 1991 was IR£1,472,000 (1990 - IR£1,558,000). There was no shortfall in the C.I.E. Salaried Officers' and Clerks' (G.N.R., C.D.R., and I.R.C.H.) Superannuation Scheme, 1977.

Ex gratia pensions are met out of the company's own resources and are taken into account in the year in which they arise.
